When renewing please complete all sections to enable your existing records to be cross-checked

Renewing Members.

If you wish to add a new dog onto your membership please add the dog's details to the form and leave the BFA number box blank. This helps me recognise that it's a new dog to be registered. I will register the dog and let you know the dog's BFA number.

If you have a single membership and wish to upgrade to Joint or Family Membership, Please complete the renewal form with your details including BFA number, add the additional person/s to the form, leaving the BFA number box blank and I will change your membership, allocate the additional person/s a number and send out the membership in the post to you. **Please remember to pay the relevant renewal membership fees plus the joining fee £3.00 for new additional member/s (per form not per member).**

All boxes on the form must be completed and please don't forget to sign and date it at the bottom. If you do not know your dog's date of birth because it is a rescue dog I am sure your vet or rescue centre would be able to make an educated guess. I will not be able to register your dog without it.

The box called BFA Owner/Handler is the name that will appear on any BFA awards that your dog may gain. One name only please. This person must be a current BFA member. Remember you are the member of the BFA not the dog. All dogs must have a registered BFA member as their handler. If you wish to change the name to appear on your dog's future awards please indicate on your form and I will amend your details.

Remember any problems or questions no matter how trivial you think they may be please do not hesitate to contact myself. All my contact details are shown below.

Happy Flyballing
