GETTING TO THE SHOW

ON ARRIVAL

Please be aware that the entrance to the venue is just round a bend on a VERY fast moving road. You need to get off the road speedily. A Steward will direct you to the next steward who will be able to take the time to direct you to your area.

To make this process efficient please put an A4 sheet on your windscreen, clearly visible with a full sized A, B or E on it. A is the main camping field, B is the 'overflow' field and E is the event field. A & E are on the left hand side of the road, Field B is on the right hand side.

Stewards will be wearing high viz vests. Field A stewards – Yellow; Field B stewards – Orange and Field E – stewards Red.

Main entrance: Fields A & E.

CAMPING AT THE SHOW

CAMPING PITCHES

The camping field will be marked out with the number of pitches that you have booked with your entry. There are a large number of people camping and a huge effort is involved in marking out the site to accommodate everyone. Please don't expect to camp if you haven't booked and please keep to your designated pitches.

TOILETS

Portaloos will be available throughout the 3 day event. To try and keep these as nice as possible and to avoid unnecessary servicing we would kindly ask people with their own facilities to use them and the elsan point, leaving the portaloos for those under canvas.

EVENT MARQUEE

The event marquee will hold all of the BFA championship presentations and will be a venue to celebrate the day's racing with evening entertainment on both Friday and Saturday evening, finishing no later than midnight.

SHOWERS

A small number of showers will be available on site over the 3 day event and will be available between 6am and 11pm.

ELSAN POINT

Please use the available elsan points for safe disposal of your toilet waste.

IMPORTANT INFORMATION REGARDING THE RIVER

Please note that the venue is next to a large river running alongside both the event field and camping area. The current can be strong and at this time of year the water can be quite deep.
